Course Description:

This course will prepare students to provide emergency medical care to the sick and injured. The course content will be delivered through reading assignments, classroom lecture, handouts, workbooks, and practical exercises. Students are required to perform a hospital rotation and field rotations on an ambulance. This prepares the student to take and pass the National Registry of EMT's registration exam. Successful completion of the National Registry exam is required for Washington State certification.

This is a very difficult course of study! The student should expect to spend a minimum of 3 to 4 hours of study time each day outside of the classroom. **Students, who have not had higher than average academic success in the past, will find this course very difficult.**

Student Prerequisites: must be attached to application for the application to be complete and considered for the course.

1. Must be 18 years old and have a High School Diploma or GED
2. Proof of a Health Care Provider CPR Card.

Example of an American Heart Health Care Provider card.

3. Show proof of reading comprehension by showing one of the following:
 - An associate degree or higher from an accredited college or university.
 - Completion of English 101 or equivalent from an accredited post-secondary institution (High School AP courses will not be considered adequate for this requirement.) Proof of English 101 can be provided by **unofficial** college transcript.
 - An Accuplacer test score qualifying the student for English 101. **An Accuplacer test be done at: <https://www.olympic.edu/services/assessment-testing-services/accuplacer-assessment>**
