Saturday Full day. Time-dependent upon COVID restrictions

Location: Kitsap Readiness Center
1211 Carver St, Bremerton, WA 98312

Course Description:

This course prepares students to provide emergency medical care to the sick and injured. The course's content is delivered through reading assignments, classroom lectures, handouts, workbooks, and practical exercises. Students are required to perform a 10-hour field rotation on an ambulance. This course prepares the student to take and pass the National Registry of EMT's cognitive exam. Successful completion of the National Registry exam is required for Washington State certification.

As part of this course you will also receive your final portion of your BLS CPR card, a Supraglottic Endorsement and a voucher to take the National Registry EMT cognitive exam.

This course is a challenging course of study! The student should expect to spend a minimum of 3 to 4 hours of study time each day outside of the classroom. **Students, who have not had higher than average academic success in the past, will find this course very difficult.**

Student Prerequisites: The following documents must be attached to the application to be complete and considered for the course. Applications are noted by taking of received and date of completion. Students may turn in an incomplete application to be noted for the class. However, they will not be considered for a seat unless the application is complete. **Class seats are allocated by the application's completion date.**

1. Must be 18 years old and have a High School Diploma or GED
2. Part 1 of the BLS Provider CPR card. Purchase the following course <https://shopcpr.heart.org/heartcode-bls> and then provide the completion certificate with your application.
The second hands-on portion will be done in class.
